About Our Factory & Capabilities

Crafting Timeless Glass Art for Modern Celebrations

We are a dedicated glass Christmas ornament manufacturer specializing in made-to-order production. Combining controlled glass forming with custom finishing capabilities, we work with international retailers, design studios, and boutique brands to manufacture from customer-provided artwork and specifications.

Core Production Capabilities

- **Controlled Glass Forming**
Producing glass blanks through controlled thermal forming.
- **Reflective Interior Finishes**
Reflective finishes available subject to project confirmation.
- **Color Coating & Spraying**
Premium matte, glossy, and translucent bespoke color schemes.
- **Standardized Packaging**
Safe transit-ready assembly engineered for fragile exports.

Specialty & Decorative Finishing

- **Optional Hand-Painted Details**
Available for selected figural and sculpted styles only.
- **Glitter & Embellishment Accents**
Precision application of fine glitter, sparkling sequins, and 3D dimensional accents for multi-layered shine.

WHY PARTNER WITH US?

- **Flexible MOQ Options:** Standard designs start from 500 pcs per style.
- **Comprehensive OEM Capabilities:** Bespoke mould development, custom finishing and packaging support.
- **Pre-Packing Quality Inspection:** Products are inspected against confirmed specifications before packaging.

Classic Spheres & Round Ornaments

Our classic round ornaments offer unparalleled clarity and brilliant reflections. Available in a wide variety of sizes, surface coatings, and rich holiday color palettes suited for traditional and modern themes. Featuring timeless European holiday palettes including rich Burgundy Red, Forest Green, Champagne Gold, and refined matte whites.

1. Shiny & Glossy Finish

High-reflection mirror effect that maximizes holiday tree lighting and vibrancy.

2. Matte & Satin Finish

Soft, elegant velvet-like surface that exudes understated contemporary luxury.

3. Translucent & Clear

Crystalline transparency allowing delicate interior silvering or subtle color tints.

4. Pearl & Iridescent

Lustrous multi-chrome finish that reflects subtle iridescent shades when illuminated.

CUSTOM SPECIFICATIONS

- **Size Range:** Customizable from 40mm to 150mm+
- **Minimum Order:** 500 pcs per style

Special-Shaped Ornaments

Break away from tradition with our range of uniquely shaped glass ornaments. Engineered to capture and refract light from every angle, adding dramatic depth and structure to high-end holiday decor.

Finials & Spire Ornaments

Elongated, elegant silhouettes ideal for tree crowns and vertical architectural highlights.

Teardrops & Drop Ornaments

Fluid, organic drops featuring smooth curves and sparkling interior reflective effects.

Onion & Diamond Shapes

Classic European geometric profiles providing dynamic visual contrast on the Christmas tree.

Ribbed & Textured Baubles

Tactile glass textures with spiral ribs, optic swirls, and faceted diamond cuts.

CUSTOM FINISH OPTIONS

- **Antique Mercury Glass:** Vintage reflective finish
- **Glitter Lines & Outlines:** Glitter linework and 3D textured highlights.
- **MOQ & Customization:** 500 pcs/style/color. Custom requirements confirmed separately

Figural & Sculpted Artistry

Bringing holiday stories to life through detailed glass forms with optional hand-painted finishing. Perfect for boutique retail collections, collector items, and festive storytellers.

Traditional Festive Figures

Iconic Santa Claus, snowmen, and nutcrackers crafted with nostalgic warmth.

Winter Wildlife & Animals

Charming deer, robins, polar bears, and pets sculpted with lifelike details.

Architectural & House Crafts

Snow-capped cottages, clock towers, and castles detailed with glitter snow coating.

Bespoke Moulded Designs

Custom production based on client-provided drawings or brand references.

OPTIONAL HAND-PAINTED DETAILS

Selected sculpted styles can include multi-stage hand-painted details to enhance expression, facial features, and decorative textures.

Festive Gift Sets & Box Collections

Coordinated ornament sets produced to customer-provided or approved packaging designs and color specifications. Built for seamless retail presentation and strong shelf impact.

Multi-Piece Color Themes

Curated 4-pc, 6-pc, 8-pc, or 12-pc sets produced to customer-approved color specifications.

Window Display Boxes

PET transparent window boxes offering 360° product visibility for shoppers.

Velvet & Foam Insert Protection

Custom molded trays wrapped in plush velvet to help reduce the risk of breakage during transit.

Custom Retail Branding

Bespoke outer box printing, foil stamping, barcodes, and private label tags.

PACKAGING OEM FLEXIBILITY

- **Box Materials:** Rigid cardboard, kraft paper, or clear PVC/PET
- **MOQ per Box Design:** Generally 500 sets; subject to product selection and packaging structure.

Bespoke OEM Manufacturing

From Client Artwork to Finished Ornaments

We make custom manufacturing effortless for international buyers, designer brands, and holiday importers with our streamlined 4-step collaborative workflow.

- 01

Artwork & Specification Confirmation
Share your artwork, reference photos, or confirmed size and finish requirements with our technical team.
- 02

Sampling & Prototyping
We produce initial glass ornament samples for physical review, with hand-painted details where specified.
- 03

Controlled Production & Finishing
Mass production follows the confirmed specifications, finishing requirements, and quality-control standards.
- 04

Quality Inspection & Packaging
Products are inspected before packaging according to the approved sample and confirmed order specifications.

KEY COMPETITIVE EDGE

MOQ: 500 pcs per style/color. Custom options are confirmed for each project.

Partner With Us for Your Next Season

Sample Policy

Sample fees are charged according to actual cost.
International courier charges are borne by the customer.
For new moulds, the mould fee is charged separately,
and the mould remains the customer's property.

Production Lead Time

Sample and production lead times are confirmed
according to the product requirements and current
production schedule.

Quotation & Order Confirmation

Quotations are prepared according to product specifications, order quantity, finish and packaging requirements.

Final order details will be confirmed in the quotation and sales contract.

All products are made to order. Catalogue items do not represent ready-to-ship stock.
